Qawam Law office — Riyadh

A professional legal practice with local character and Saudi talent

Qawam — uprightness and balance: that by which matters stand firm

Qawam Law Firm brings more than nine years of experience, spanning litigation and wide-ranging legal services for companies, commercial and investment businesses, and for the nonprofit and endowment sector.

We work to a written method: we understand the client and its regulatory context, set out a clear legal opinion before acting, and stay with the client through to closure — with integrity, responsibility, due care and the protection of rights.

A professional practice embodying
the best of **global legal standards**
with a **local spirit** and qualified talent.

Strengthening the legal environment by delivering **the finest legal services** — meeting the needs of individuals, organisations, business owners and entities across sectors, **with high professionalism and a commitment to continuous improvement.**
